SCORE's
20th
Anniversary
20 for 20

WE'RE CALLING IT "20 FOR 20," BUT IT COULD HAVE EASILY BEEN A THOUSAND FOR 20!

There are 20 girls featured in this special 20th anniversary issue, and each one is special in her own way. There are ultra-slim-and-ultra-stacked girls, super-naturals, girls who bring some booty to the game, girls from the United States, girls from the United Kingdom and girls from far-reaching parts of the globe. Some of the girls have done hardcore, others haven't. Almost all of them have won some type of *SCORE* honor at some time. The issues in which they debuted span from our first issues in 1992, when the mag was a bi-monthly, to the present day.

They're all unique. And they're all special in some different kind of way.

And now, they're all special in the same way: All of them were voted on by you, the readers, to be included in this "20 for 20" issue, celebrating the 20 greatest *SCORE* Girls ever.

That's saying a lot. Countless girls have appeared in *SCORE* since 1992. Considering our always-stratospheric standards for entrance into the Sorority of *SCORE* Girls, there isn't one among those thousands who hasn't attracted attention wherever she goes. Just being a *SCORE* Girl makes a woman special. Being in this issue–and being honored by the thousands of readers who submitted votes in our "20 for 20" balloting–is more than special. It's extraordinary, the highest honor in big boobs.

So, as you enjoy the 20 pictorials of our "20 for 20" girls, think about all the breathtaking girls who *aren't* in this issue. It's a testament to *SCORE*'s rich history that you'll probably say, "I'd buy a mag with those girls, too." We could have easily done "200 for 20." **–Dave Rosenbaum, Editor**

SPENDING ALL DAY LOOKING AT TITS? THE PLEASURE IS ALL OURS!

Dear *SCORE*,

I want to convey my great gratitude for what you *SCORE* people are doing. All these beautiful babes, all the interviews, all the films and magazines and the *SCORELAND Blog*…I feel you all have a great time. I hope so much that you do not cease to give stage to all big-busted girls all over the world.

Thanks for all of the slim-and-stacked newcomers! Thanks that you secure an atmosphere in which the girls feel free to show all their assets and they do not need to hide any part of themselves, whatever deep or wet that part is. Great thanks for 2011 and looking forward to a great, big-busted 2012 –Stefan C., via email

THIS *SCORE* MAN HAS BEEN WITH US EVERY STEP OF THE WAY

Dear *SCORE*,

Twenty years already? Time flies when you're having fun perusing the best big-boob mag on the market. I remember buying the second issue on the stands in 1992 and was hooked. Here was a newcomer to the big-boob scene that could compete with, and beat, *Gent*, *D-Cup*, *Hustler's Busty Beauties*, etc.! Being a completist, I quickly tracked down the first issue and, with the help of subscribing a number of years ago, I have the whole run of *SCORE* to date. I even have a handful of the short-lived UK version, *TEASE.*

Back during the heyday of feature dancers appearing in NYC strip clubs, it was great to bring my latest issues of *SCORE* to places like Flash-Dancers so the likes of Zoryna Dreams, Nikki Knockers, Plenty Uptopp, Casey James, Alyssa Alps, Colt 45 and Crystal Gunns could autograph their latest appearances in the mag and provide me with the reference needed so I could draw pin-ups of these gals as super-heroines with which to trade for Polaroid photos with said ladies. I already had a few letters printed in *SCORE*, and you ran two articles and interviews with me and showcased some of my art. That made me a minor celebrity amongst my fellow big-boob fan friends!

Congratulations on reaching this impressive milestone, and may you have 20 more years. I know I'll still be buying.–Delmo W., via email

HIS LORNA-LOOKALIKE GIRL IS GONE, BUT HE STILL HAS *SCORE*

Dear *SCORE*,

I had never considered myself a fan of any one magazine before. I hadn't even given much thought to adult brand loyalty, to tell you the truth. But, things changed some years back when I came across Lorna Morgan (no pun intended.) in a *SCORE* magazine and was a bit shocked by how much she

MORE THAN A BIG-TIT MAG, IT'S A GATEWAY TO YOUR FANTASIES

Dear *SCORE*,

There are a lot of big-tit magazines out there, but there is only one *SCORE*. I have been buying your magazine on and off for the last five years, and I can honestly say each issue is a whole new big-tit extravaganza. For a guy who likes tits, there is no better publication.

For one thing, you always have BIG tits in your big-tit magazine. I know that seems obvious, but you would be surprised by how many magazines say that they are about big tits and when you spend your hard-earned money on them and open them up, there aren't big tits in there. Maybe some guys like girls with almost-big tits, but not me. I

IT'S THE BIG-BOOB FRATERNITY, AND YOU'RE A VALUED MEMBER

Dear *SCORE*,

In 1992, I heard about the upcoming inaugural issue of *SCORE* magazine in a pack-in from the H&S sales catalogs I was receiving way back then and eagerly awaited the first issue, which I was convinced would be a magazine perfect for my tastes. Indeed, it was.

The magazine remains a favorite and a treat with every issue I buy, especially over the past couple of years with the advent of models like Merilyn Sakova, Miosotis, Kristina Milan, Beshine, and my new favorites, Hitomi and especially Venera.

From the very beginning, I recognized that I was part of a family that appreciated a certain kind of woman, now known as the *SCORE* Girl, and remain a proud member of that family. I wish all the other members of the family the very best and look forward to the next 20 years of the best magazine ever.–D.J., Texas

20 FOR 20: ONE MAN'S CHOICE, PLUS A MINOR COMPLAINT

Dear *SCORE*,

Here are my selections for the 20 greatest models ever: Angelique, Eva Notty, Janet Jade, Linsey Dawn McKenzie, Miosotis, Sharday, Crystal Gunns, Europe DiChan, Leanne Crow, Maxi Mounds, Minka, SaRenna Lee, Wendy Whoppers, Kelly Christiansen, Nikki Knockers and Pandora Peaks. And I'm casting write-in votes for Alexis Silver, Gianna Rossi and Sierra.

There were some very tough choices. I wish I could have picked at least 10 more, but I feel that I came up with the 20 greatest models ever

I do have one complaint. I would love to see more of Alexis Silver in a future issue. I have already collected at least 20 of her videos (including *Mamazon*), and she is really one lusty and busty babe.

You guys have the best big-boob publication in the world. Please keep up the exceptional work.–W.L., Chattanooga, Tennessee

Busty Brit Alexis Silver is one of the wildest hardcore girls ever.

SHAVED PUSSY MATTERS. "ARE YOUR BOOBS REAL?" DOESN'T

Dear *SCORE*,

Regarding the question of shaved or hairy pussies that was posed in the *SCORELAND Blog*, keep those pussies nice and shaven. A hairy pussy looks unkempt. Big tits are a real turn-on, but seeing a model with a hairy pussy can be a real downer.

Christy Marks has always kept her pussy shaved. Here's how!

Speaking of big tits and outdated questions, one that definitely comes to mind is, "Are your boobs real?" This question is an insult to the model, the reader or viewer and the interviewer. It sounds really lame. If a true tit lover really needs an answer to this question, he instead should be questioning his own intelligence.

Merilyn seems to be saying, "Do you want me to shave my pussy?"

Let's get those big tits out there and let everybody enjoy their bountiful goodness, no matter what their origin.–Slugworth, via Internet

Arianna Sinn goes to great lengths to make sure that she's clean-shaven.

AND HERE'S WHY THE SHAVED PUSSY DEBATE ISN'T OUTDATED

Dear *SCORE*,

I love hair on a pussy. If it is a strip or the full, natural kind, it is very exciting. I remember the thrill of pulling a girl's panties off to see her pussy and the hair color down there. I always longed to see if the hair colors matched, so let the hair grow.–T.J., via email

THERE ARE SOME THINGS YOU CAN ALWAYS COUNT ON IN LIFE

Dear *SCORE*,

I started buying *SCORE* in 1998. Before that, I only had so much money I wanted to spend on magazines, so I was usually very discriminating. I'd gotten stuck many times wasting money on junk. My rule of thumb was if there were three girls I really liked in any issue, I bought it.

I don't remember the month of the first *SCORE* I bought, but I remember why I bought it. The blonde covergirl was dressed like a schoolgirl. Well, like the way me and my friends think coeds should dress. That was my introduction to Alyssa Alps.

SCORE had the kind of women I love, women with big tits and hourglass figures. They are the kinds of girls with bodies you don't see except in magazines and in strip clubs. There were other magazines that did what you do but you just did it better than them. The girls looked prettier and the photos were sharper and brighter. Everything was better, and you didn't degrade the girls. Most of the others looked slapped together real quick.

A year later, I actually got to see Alyssa Alps at the Déjà Vu club in Tampa. She was the first *SCORE* Girl I saw in person. She was everything I thought that a *SCORE* model was supposed to be and look like. That was a great night, and after that, I looked forward to reading her column.

I never threw away *SCORE*. I'd pass it along to one of my friends. I stopped buying *SCORE* sometime in 2004 when I got a new girlfriend who didn't care for magazines with naked girls and let me know it. Last year, we broke up and not long after that, I walked into a store and decided to see what *SCORE* has been up to all these years. I'm delighted to see you're still here.

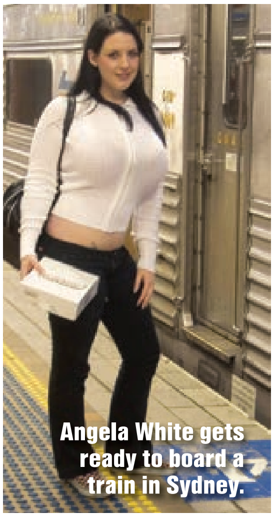
Now I'm enjoying every issue, and I picked up some back issues, too. I'm glad to say that you guys still have an eye for the kind of girls and breasts I love. Venera and Valory are dynamite, and if Eva Notty ever decides to become a dancer, I'm sure she'd be a hit. Keep up the great work.–T.D., Lutz, Florida

BIG TITS IN PUBLIC: BECAUSE *SCORE* GIRLS ARE REAL GIRLS

Dear *SCORE*,

I very much dig the model in full clothing, big-time! A model posing in full clothing or walking in a real-life setting with her gorgeous, huge tits jiggling and swaying is one of the hottest visions ever.

TSG, you know what you are doing. Please don't stop.–Winter1968, via Internet



Angela White gets ready to board a train in Sydney.

HOW THE *SCORE* GIRLS LOOK IN CLOTHES IS JUST AS IMPORTANT

Dear *SCORE*,

I like a pictorial to start with the model fully dressed (scantily, of course) and then slowly peel off her clothes.

Continued on page 12

If she wasn't a *SCORE* Girl, Valory Irene could be a lingerie model.

It's the hottest way to do a pictorial.

I also love heels, stockings, suspenders, lace bras and lace panties. I've been buying magazines since the early 1970s, and this look was the mainstay right through till the early '90s until denim, running shoes and vests started appearing in lots of shoots. I realize you have to move with the times and please younger readers, but for me, the magic was lost a little.

SCORE has a good mix to suit all readers, but more lingerie, heels, tight minis and see-through blouses would not go amiss.

"Scorecard" is a great way to have your say and communicate with all the fellow boobhounds out there. I love to read the views of my fellow tit-men and respect every opinion whether I agree with it or not.

Tits are a way of life for most of us *SCORE* Men, and if I'm not lucky enough to be sucking or fucking tits (which doesn't happen much these days at my age), then I sure want to be discussing them, and "Scorecard" is the ultimate way to do it.

I write regulary to "Scorecard," and many of my letters have made it into print, so I want to take thank all of you guys at *SCORE* HQ for taking the time to read them and print them. It means a lot to me, and I will continue to contribute via "Scorecard" and the *Blog* until the day I die.–C.A., West Midlands, United Kingdom

A FEW SUGGESTIONS FOR THE FUTURE *SCORE* AWARDS VOTING

Dear *SCORE*,

There can be no debate: 2011 was the greatest year in the history of *SCORE* and *Voluptuous*. For the first time ever, I was unable to fill my ballots in every awards category. In nearly every category, there were multiple models who were more than worthy of winning and probably would have had they the good fortune of modeling at a different time. Voting for one is, unfortunately, the same as voting against another equally worthy candidate. I can't do that.

It doesn't help that I have Twitter contact with many of them. They pretty much all come across as fantastic people as well as examples of female physical

BIG BOOBS IN THE NEWS

A COLUMN BY ELLIOT JAMES

20 YEARS OF *SCORE* AND BIG-BOOBED BEAUTIES

"IT'S A LABOR OF LOVE," SAYS SCORE FOUNDER JOHN FOX

In 1992, an enterprising editor left an established position that he had held at *Gent* magazine since 1974 to launch his own big-bust magazine called *SCORE*. Like many enterprises, it was a gamble.

"It was a labor of love," John Fox recalled about the early years.

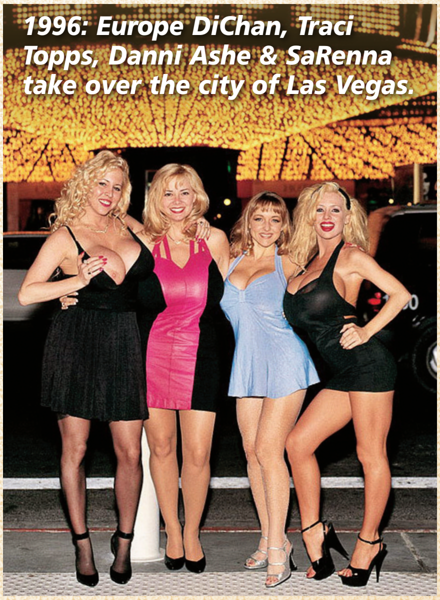
The 1980s were a huge decade for men's magazines and videocassettes, and the internet was an ongoing project-in-creation by scientists, industries and universities that the average person knew nothing about. When the 1990s began, the racks at adult stores and newsstands were filled to the ceiling with magazines coming in and going out like the tide. What impact could one more big-tit title make in the scheme of things? A major impact, as things turned out.

2007: Christy Marks, Terry Nova, Lorna Morgan, Angela White & Gianna Rossi bounce them on Eleuthera Island in The Bahamas.

1994: Angelique, SaRenna & Tawny Peaks in the Bahamas.

John Fox had drive, a plan and a strong determination to give readers the best possible publication in the big-boob niche. One filled with the best girls with the best and biggest tits. A monthly experience that the readers would want to have every month. A publication that gave them what they wanted. Something that would give them what other magazines were not giving them.

I remember buying the first issue (June '92) of the then-bi-monthly *SCORE* at a local magazine shop called Readmore Books in Las Vegas. Like *SCORE* editor Dave Rosenbaum, I was a big-tit fan and a *Gent* reader, and this new magazine intrigued me. It turned out to be a lifechanger for both Dave and me.



1996: Europe DiChan, Traci Topps, Danni Ashe & SaRenna take over the city of Las Vegas.

2000: 15 Boob Cruise Girls pose for the cover of Holiday '00 SCORE in St. Thomas, U.S. Virgin Islands. This was the 5th and final Cruise.

2000: Linsey Dawn, Jessica Turner & Kerry Marie in London.

L.A. Bust was the covergirl of the premiere edition, an issue that contained a mix of girls with all types of bodies. There were the slim-and-stacked showgirls, represented by L.A., Jay Sweet and Kayla Kleevage. There were the voluptuous, curvier girls such as Cathy Patrick from Ireland and Georgina from Yugoslavia. Since this was the first issue, the "Scorecard" letters section published selected answers from a 15-question mail survey of 40,000 boob-men. Guys like you provided the fledging *SCORE* team with answers to such questions as "Do you prefer the girl-next-door type or the hot and sleazy type, or both?" and "What poses best display a model's breasts?"

From the start, reader feedback was both solicited and appreciated. It was this kind of attention to what you, the tit-man, wanted to see and read that would distinguish *SCORE*, the new mag on the rack, from the rest of the pack. The interest and the drive to give the reader what he wanted to see and read, not what the publisher, editor and photographer liked or what they thought you liked. A magazine made by tit-men for tit-men. A magazine that didn't

throw in a girl just because she had big boobs but, instead, chose carefully-selected girls in a well-rounded grouping, the selection process based on the mind and the feedback of the tit-man.

We all know that 100% of the people can never be 100% satisfied 100% of the time, but the fact that you are now reading the 20th anniversary edition of *SCORE* is proof of John Fox's early insight and commitment to the world of big boobs and the hot women who have them and are willing to bare them.

2005: Vixen LaMoore & Crystal Gunns rep SCORE in Las Vegas.
THE SCORE GROUP
THE SCORE

After reading that first issue, I took a chance and decided to try to contribute to the magazine, suggesting to Mr. Fox a monthly column that would cover, if not entirely encompass, the goings-on in tit-dom. Then, as now, my brain was dominated by nipples, tits and areolae, the bigger the better, natural or augmented. For the record, I like the feel of augmented tits as much as the feel of natural tits. And there's something about a girl with a big boob job that makes her look like she's sexually uninhibited and really into recreational fucking, that she acquired bigger tits to rev up her sex life and attract more male attention.

In 1992, the mega-boob revolution was also getting into full swing. Elbowing aside the naturally-blessed models who had previously dominated the newsstands and videos, a small army of girls, mostly exotic dancers, began to have their tits supersized by plastic surgeons who specialized in breast enhancements. Calling themselves Letha Weapons, Lisa Lipps, Wendy Whoppers and other colorful names, these girls took over the nightclubs, the magazine racks, the newspapers, the video shelves and such TV talk shows as Jerry Springer and Phil Donahue.

When I look back on those years, the sheer volume of girls still blows me away. It was a pop cultural phenomenon for most of the '90s until, like most phenomena, the fad faded. As the decade ended, the new naturals like Lorna Morgan, Autumn-Jade and Linsey Dawn McKenzie seized power. To this day, though, there are still a few ladies holding down the super-sized fort, such as Minka and Deena Duos, and some newer disciples have also emerged, including Stephanie Stalls, Daphne Rosen, and the mindblowing Beshine (May '12).

Shortly after writing to Mr. Fox about a possible column, I heard back and was given the green light to start writing "Boob Beat" for the January '93 issue (Volume 2, Number 1). "Boob Beat" replaced the column that ran in the first three issues, "Mammalogy," by Orion Jeweb. "Mammalogy" was a scholarly, academic column and, in the words of its writer, "dedicated to a conscience-raising discussion of the well-endowed female." I never communicated with Orion, but I often wondered if he was a moonlighting university professor. He certainly wrote like one…one with a lust for tits.

My own approach to a monthly column was very different, more of a news-and-entertainment section served in byte-sized chunks than a professorial, historical dissertation. Often, I took my own pictures with a Nikon 2020. Boob Beat's permanent cartoon mascot–the girl reporter–on the opening page was created by the great *SCORE* artist Otis Sweat, one of my all-time favorite illustrators, a man who had created art for John during the *Gent* years. The girl is much smaller now than she used to be, but the design has pretty much remained unchanged since the first column. We never did give her a formal name. To me, she's "Busty," for lack of a better name.

Over the past 20 years, several other columnists happened to be great-looking girls and covergirls, too. LA Bust wrote about her club-touring in a short-lived column called "Night Moves" that ended in January '93. From January '98 to June '03, Alyssa Alps took readers "On The Road." From October '06 to October '08, Crystal Gunns invited us into her world as a traveling exotic dancer for "The Gunns Show."

Veteran readers might remember one more columnist, and he didn't write about tits. Greg Maiuro wrote a sidebar in "Boob Beat" called "Sports Trivia." It had a nice run from January '95 to January '98. A tit-man who wisely spent his writer's fee on lap dances, Greg discovered several *SCORE* Girls, including the popular Vicky Vann.

2007: (Top) Sabina Leigh, Gianna Rossi, April McKenzie. (Bottom) Panther, Tera Cox in* Pounding The Pledges, *Miami.

***2010: Taylor Steele, Arianna Sinn, Jenna Valentine & Karla James hit the surf bouncing in* On Location Grand Bahama.**

Looking back to 1992 and how magazines were created from the ground up, the advances in magazine production have been nothing less than fantastic. The technology of creating a magazine's pages and printing are vastly different in 2012 compared to 1992. In 1992, our photographers were using 35-millimeter transparency film for pictorials and medium-format film for the covers. The guys in the SCORE studio have always had excellent skills, so proper exposure and focus were rarely a concern. Until the mid-2000s, we sent the film out to a lab for processing, waited a few days and prayed that our photographers' work didn't get damaged or lost in transit.

Today, film is a product of the past. State-of-the-art digital cameras store images on a memory card that's later uploaded to our main

Merilyn Sakova

Slim and naturally stacked, this girl-next-door (and former clothing-store clerk) from the Ukraine was an all-time great from the moment we laid eyes on her.

We called her the "Discovery of the Decade" when she debuted in the Sept. '05 "New Naturals" issue, devoted to the best new, naturally stacked girls since 2001. As we wrote, "Her name is Merilyn Sakova, she lives in Russia, and she's 20 years old. And she found us! Merilyn emailed us some topless pics, and we immediately dispatched one of our scouts to the small town where she lives." It was worth the long journey, as has been every trip we've taken to photograph Merilyn. In late 2007, we made the almost-unprecedented move of flying to Kiev, Ukraine to shoot one model: Merilyn for the DVD *In Yer Face*. It became one of our best-selling single-model DVDs ever.

Merilyn won 2005 Newcomer of the Year, 2006 Model of the Year and was runner-up two years in a row, an unprecedented run of success in the *SCORE* Awards. And then she finished third in *SCORELAND*'s Model of the Decade contest. Until Miosotis and Venera came along, she had no equal in the slim-and-naturally stacked category, and as these photos (taken in Kiev during the *In Yer Face* shoot) attest, she's one of our most sensual models ever. As reader K.P. said nearly seven years ago, "She has it all: beautiful face, great ass and legs, tiny waist and those huge, all-natural breasts. She is the pure definition of a *SCORE* Girl." And seven years later from L.R. of Philadelphia: "Next to the words '*SCORE* Girl' in the dictionary, there should be a picture of Merilyn."

SaRenna Lee

The epitome of the slim 'n' stacked glamour girl, SaRenna Lee is a living legend, the standard by which all *SCORE* Girls would come to be judged.

We could tell you all about SaRenna Lee's accomplishments. We could tell you that she sailed on the 1995, '97 and '98 Boob Cruises and was, according to many passengers, the main reason they signed on. We could tell you that she made 21 appearances in *SCORE* during a career that spanned two decades and culminated with her induction into the *SCORE* Big-Boob Hall of Fame. We could tell you that when we were picking a covergirl for the July '02 tenth anniversary, there was no doubt that it would be her. We could tell you that her six main-cover issues were among our best-selling issues. And we could go on.

We could spend pages listing SaRenna's career accomplishments, or you can just look at the pictures. Then you'll know why she was, for a time, the most-popular big-boobed model in the world and why, even now, after Linsey Dawn McKenzie and Christy Marks and Karina Hart, some people say she's still the best. She is, said M.G. from Chicago, Illinois, "the reason I became a *SCORE* reader in the first place." Like many others, M.G. saw SaRenna on the cover of our Dec. '93 issue and had to look twice. Is that a big-boob mag? How could it be? In the history of *SCORE*, we've only had one cover in which we showed only the girl's face. And that was SaRenna's Marilyn Monroe cover.

"I was actually a tomboy when I was young," SaRenna said. "I've always been into sports. I never played with Barbie dolls. I liked cars and I used to play football with the guys because girls just got on my nerves." Hearing this, it's surprising that SaRenna never did boy-girl but did have several memorable tit-to-tit encounters with Lisa Lipps, Chloe Vevrier, Minka and Maxi Mounds. "I think part of what made her special was that she never did boy-girl. She was always our fantasy girl, and a guy could imagine her being his one-and-only," wrote C.D. via email. "She was like a vision, like an impossible fantasy, and yet she was real." Words can not do justice to her. These pictures will have to do.

SCORE's 20th Anniversary 20 for 20

Karina Hart

No girl in the world is built like this slim and naturally stacked Slovakian beauty with her giant tits, strong, muscular, shapely legs and one heck of an ass!

Until Karina Hart came along in 2008, there had never been anyone like her in the *SCORE* universe. Sure, we'd seen plenty of girls with big, full, heavy tits (although very few with tits so big and so beautifully shaped as Karina's). But what Karina brought to the game was a brickhouse body: a small waist, then a big, round, firm ass any butt-lover could appreciate, leading down to long, strong, shapely legs that you'd love to have wrapped around your back. This Slovakian beauty (a student when we first met her) was like Chloe Vevrier on steroids, but like Chloe, there was nothing artificial about Karina. For a man who loves curves, she's a dream come true.

Karina won 2008 Newcomer of the Year and 2009 Model of the Year. In 2010, she finished a close second to Christy Marks in *SCORELAND*'s "Best of the Decade" Top 100, then this past fall, she was voted one of *SCORE*'s "20 Greatest Naturals." But all you really need to know is that in 2008, we flew our crew all the way to Hungary to capture Karina's one-and-only boy-girl scene, a scorching tits 'n' tugs in *Busty Riding Academy*. Her starring role made that DVD one of our best-selling ever. Because she's that special.

Janet Jade

A girl for all tastes (DDD-cup naturals and beautiful ass that was featured in *BootyLicious* magazine), she's the girl-next-door you always wanted to have.

Through the years, a common refrain from many *SCORE* Girls has been that they were surprised we wanted to photograph them in the first place. To which we've often wondered, "Do these girls ever look in the mirror?" When Janet, then a student and part-time dancer from Detroit, Michigan, debuted, she said, "I was surprised when you guys called me to model, but I thought I had potential." Potential? Janet has gone on to become an all-time great, one of our "20 Greatest Naturals" and now one of our 20 greatest period.

Like many *SCORE* Girls, Janet comes across as shy. But then she starts peeling off her clothes and something clicks in–a willingness to please, maybe–and the shy girl becomes a sex bomb (whose hottest action can be seen in the DVDs *Tits & Tugs 4* and *Tits & Tugs 5*). "If I'm in front of a lot of people, that's good. It's one-on-one that I'm shy." And, yet, Janet opened right up during a memorable interview with Christy Marks (Christy was amazed by the size and heft of Janet's breasts), and her one-on-one tit-fuck scenes are wet and messy. She looks at the cocks, amazed by what she has created. Hard-ons, again.

Tiffany Towers

In the 1990s, slim 'n' mega-stacked girls like Tiffany Towers ruled Planet *SCORE*. She was the definition of a *SCORE* Girl: super-slim, super-stacked.

"Big Boobs? Big Bucks!" read the banner trailing the airplane over Daytona Beach, Florida, during Spring Break 1990. For John Fox and John Graham, *SCORE* was just a fantasy at the time, but Tiffany Towers, one of two girls they discovered on that scouting trip (the other was Tawny Peaks), was real. At the time, Tiffany was a house dancer in Montreal, Quebec, with aspirations of becoming a feature dancer, and the boob scouts knew they had found someone special. But just how special? Time would tell.

Tiffany would become a huge star in the world of big-boob magazines, and when *SCORE* took off, her career did, too. Her first appearance was in the January '93 issue, a girl-girl with Staci Vaughn, then she joined the cast of *Boobarella* on the cover of the March '93 issue. Blonde with a bikini body, Tiffany did several memorable poolside/ beachside shoots (although she never sailed on the "Boob Cruise"). In 2004, she was a member of the second class to enter the Big-Boob Hall of Fame. "To me, Tiffany is what *SCORE* was all about in the 1990s," wrote B.M. from Elgin, Illinois. "She was a living, walking dream."

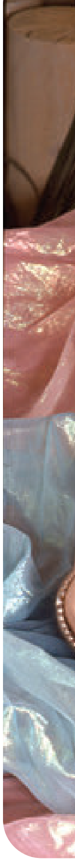
WEBSITE: Tiffany-Towers.com



In addition to being a living, walking wet dream, Tiffany was also a girl who aimed to please, a girl who never made a big deal of her own superstardom. "Carefree, almost to a fault," is how we described her when she was inducted into the Big-Boob Hall of Fame. "When readers went to Ottawa to see her, she would spend a week showing them a good time." She would call our office just to talk, and after every one of her pictorials appeared in *SCORE*, she would call to say "thanks." She was thanking us? She made that call 10 times between January '93 and June '02, and now, more than 20 years after that fateful scouting trip in Florida, it's time for us to thank her.

Lorna Morgan

In the history of *SCORE*, no model has received more marriage proposals than Lorna Morgan. She's a Welsh dream girl, a natural in every sense of the word.

The British Big-Boob Invasion was already in full force when Lorna Morgan made her worldwide magazine debut in 1999. And when this Welsh beauty took off her clothing and revealed her tits for the first time, there was little doubt that the UK naturals were taking over the big-boob world and the mega-stacked '90s were coming to an end. "I didn't think I'd be a model," Lorna told us. "It was other people who said, 'You should take those boobs and set them free!'"

These photos were taken in Eleuthera during the filming of *Big-Boob Paradise.* By then, Lorna had become a regular on our on-location shoots, adding to a list that included Key Largo, Portugal and the Boob Cruise. Not bad for a girl who started out behind the scenes as an agent and thought she was too short to model. "It's nice to think I can still do it because there have been moments when I've thought, 'Maybe they don't want to see me right now.' The fact that I can still do it? That's amazing to me." We'll never get tired of seeing Lorna.

Ines Cudna

A gorgeous face. Full, suckable, EE-cup naturals. And long, pliable pussy lips. She's our "Polish Princess," and here she is at her most beautiful and sensual.

If she didn't have the EE-cup naturals, she could still be a fashion model. If she didn't have the tits or the drop-dead gorgeous face, guys would still line up to see her long, pliable pussy lips. Her blue eyes are absolutely startling. She can cast a spell on any man who lays eyes on her. She's Ines Cudna, and although she got a slow start with *SCORE* readers in 2003 (for reasons we still can't understand), this Polish princess, a true beauty queen, has become one of the most-popular girls from that year, one of the best-ever for naturals (Nicole Peters is also from the Class of 2003). In the September '11 issue, she was voted one of our "20 Greatest Naturals." Now she's in the Top 20 period.

Ines could have become a mainstream model. Instead, in 2002, she decided to try nude modeling. Shy at first, Ines soon ramped it up into full-out pink pussy spreading, dildo masturbation and girl-on-girl hardcore with Linsey Dawn McKenzie, porn star Cassandra, Nicole Peters, Marketa, Veronika and Iva. She never did hardcore, although she does walk a man by his cock in *Busty Euro Maids*. How appropriate. Ines has always had us in the palms of her hands.

Minka

The world's bustiest Asian in the 1990s, the world's bustiest Asian today and nipples that could poke your eyes out. Readers still can't get enough of Minka.

Most of the mega-stacked girls from the big '90s have moved on. Minka is as popular as ever. The girl who debuted on the cover of the October '94 issue (as our first Asian covergirl) won 2005 Model of the Year and remains one of our most-requested models. "I'm still here," Minka proclaimed in 2010 when we were filming the DVD *Maximum Minka.* "And I'm going to be here next year." And the year after that, and very likely the year after that, too.

Since then, Minka's tits have only gotten bigger, and her modeling has gotten hotter. She was one of the first mega-slim 'n' stacked girls to go hardcore, and recently, she returned to our studio for more XXX scenes. Eighteen years later, there's still nobody like Minka.

computers. A check of the viewfinder immediately tells a photographer how a shot looks. We now have digital duplicates of the magazine that you can read on your computer or hand-held device. But I must admit, I love the paper magazine. It's real. It exists without electricity.

Over the years, I've covered the wide world of big breasts and big-busted *SCORE* Girls in the news, from boob science to art to specialty bras and breast gimmicks; interviewed many models, authors and readers; covered *SCORE*'s and the *SCORE* Girls' presence at conventions and shows around America and more, each time trying to make every "Boob Beat" fun and entertaining and as enjoyable as the rest of the magazine.

One of our favorite sayings about *SCORE* is "make it better than it has to be." This is the driving force that propels us to produce a magazine that constantly ups the ante. That proactive attitude sends us to other countries in search of the main event: The *SCORE* Girl. That's what separates us from the rest of the pack. That wanderlust sent us on Boob Cruises and now to numerous countries in the Caribbean, Europe and South America, to Canada, Mexico and the United Kingdom. No other big-boob magazine in history has done what we have done during the last 20 years. If the model can't come to *SCORE*, *SCORE* will go to the model.

Everything we do revolves around The *SCORE* Girl. The SCORE Girl is the bright sun–the twin suns–around which we all orbit, forever locked into her unbreakable, gravitational pull. Her name will change over the years as *SCORE* Girls retire and move on and new *SCORE* Girls step into the spotlight, but our purpose for publishing *SCORE* remains the same: to bring you great-looking girls with great bodies and great, big tits. Some will become long-time stars. Some will stay in the game for a few years and then drop out of sight. Others will be one-hit or two-hit wonders. It's not unlike the acting business or professional sports.

Since 1999, when Chloe Vevrier made her long-anticipated hardcore debut, we've been proud to say that many of the greatest big-boob stars in the world fucked first for *SCORE* and, in many cases, fucked only for *SCORE*. This is an important point because these girls obviously have the bodies and sexual talents to become big-time porn stars, and once they've had sex on-camera once, they've made the most important step from "I don't know if I can do it" to "Done it!" But they choose to remain exclusive to *SCORE*. So, we've witnessed the XXX debuts and the only XXX scenes of Julia Miles in the early 2000s and Angela White last year. Daylene Rio also made her XXX debut for *SCORE* before moving into porn, and Minka and Kayla Kleevage took on the masked superhero Blue Balls in a wild scene.

Miosotis's many Internet followers had never seen her like this, and we were proud to present her. Proud, too, that people noticed that the quality of *SCORE*'s DVDs is a step above the others. Eva Notty, first discovered by *Naughty Neighbors* magazine, has the body of a mainstream porn star. She could easily be a porn star. But she has fucked only for us. In *Boob Science*, she takes a lucky guy's cherry. Summer Sinn is yet another porn star who did her first hardcore scenes with *SCORE*.

Brittany O'Neil, aka Busty Brittany, has been a *SCORE* Girl since 1993, and amazingly, she hasn't lost a bit of her popularity or sexuality. In fact, she's only gotten hotter. Christy Marks

She was 2007 Newcomer of the Year and 2008 Model of the Year. She was voted the best new big-boobed girl of 2000-2009. And that's just for starters.

In the 20-year history of *SCORE*, there have been girls with natural breasts as large as Christy Marks' (although not many). There have been girls with girl-next-door appeal to match hers (although, again, not many). But no girl has ever combined both attributes while adding a nearly-unlimited desire to please her fans like Christy has. Whether she's self-sucking her tits or getting her legs behind her head for a pretzel pose or sucking and fucking (like she did four times in *Christy Marks Gets Fucked*) or ravishing Karina Hart (or Angela White) or doing her first anal scene or making a lucky fan feel like a million dollars, Christy always aims to please.

A small-town girl from rural Pennsylvania, Christy was 18 years old (our second "Teen Tit Dream") when she debuted in 2007. She had stars in her eyes and couldn't believe how much attention we lavished upon her, then enjoyed every bit of praise fans showered upon her without ever becoming a prima donna. We wish we had a dollar for every time Christy has told us how much she loves being a *SCORE* Girl. This enthusiasm is one of the many reasons she was voted the top new model of 2000-09 decade by *SCORELAND* members. Christy is special.

BOOB BEAT

Continued from page 66

reader named B.D. of Virginia wrote, "In playing with my computer's thesaurus, I found that some synonyms for 'score' are to overwhelm, prevail, attain, overpower, master and to triumph over; to list a few. In comparing *SCORE* with its competition, I find the synonyms apply."

B.D. was right. The title *SCORE* has a tone of power. It doesn't spell out that its contents are about big breasts, compared to, for example, titles like "Funbags Monthly" or "Udder Delights." The fact is, most girls would rather ride in a Cadillac than in a Geo Metro, and a similar attitude goes for models and magazines, too. The title "*SCORE*" tells you that you're getting your money's worth, month after month.

I have been privileged to meet many *SCORE* and *Voluptuous* readers. People see my *SCORE* shirt and tell me they've been reading the magazine for years. I've met them at conventions when they crowded the *SCORE* exhibits to get photos and autographs of such spokesmodels as Crystal Gunns, Danni Ashe and Summer Sinn. I've met them at the much-missed Boob Cruises, where rum and bras were tossed back with abandon. I've met them at magazine stores, airports, strip clubs and even at the *SCORE* building when a reader, sometimes accompanied by his wife, visits and gets a guided tour. They email or write letters on real paper and contribute their thoughts.

I've always appreciated what each of you has had to say. You tell us your likes and dislikes. What pleases and displeases you. Without you, we have no purpose. You, and your support, are the reason we have survived the magazine battlefield for 20 years, and we thank you…charter readers, veteran readers and newer readers.

The magazine field has become a game of last-man standing. Almost all of our competitors are no longer publishing. Here's to the future of the best in busty girls. There are more to come. More great, new girls to discover and uncover.

Boobs. They're not just a job, They're a way of life. The *SCORE* ride has only just begun.

Danni Ashe

She was not just an Internet pioneer (and a girl who was vital to our history). She was a beauty with memorable tits and an ass that begged to be grabbed.

There are busty models. And then there's Danni Ashe. If she had just shown off her beautiful body with her spectacularly sloping tits and buttercup nipples and round, perky ass, she would have been a star. If she had just helped trigger the Internet adult revolution, she would have been famous. But Danni did both, making her perhaps the most-famous adult model ever. To this day, her influence is felt.

She sailed on three Boob Cruises and went tit-to-tit with Chloe Vevrier, Lisa Lipps, SaRenna Lee and Minka yet maintained her wholesomeness. When she wasn't modeling, she brushed up on computers and HTML design, launched "The Hot Box," and was with Scoreland.com in its infancy. Today, the Internet and TV are becoming one, and *SCORE* Chief John Fox recalled, "Danni saw that coming fifteen years ago." She was a revolutionary, but how many revolutionaries are this hot?

perfection. I wish I could have cast fractional votes, but that isn't an option… yet, I say hopefully.

I've never understood the stipulation that we must vote for one candidate in every category for any portion of the ballot to count. Until now, I didn't care as I've always been able to find something that made one model stand out from the crowd, even if it was a petty difference. Now, I kind of resent the rule. To the best of my knowledge, there isn't a political jurisdiction in the United States (or anywhere else that I know of) that invalidates an entire ballot if one category is spoiled or left blank. I'm not sure this is a fair comparison, as I concede that the relationship between politics and breasts is limited: boobs are never politicians while most politicians are boobs.

Again, my preferences for change would be, in order:

1. The ability to cast fractional votes with every category worth a single vote, however distributed;
2. That blank categories be ignored and not affect the validity of votes cast in other categories;
3. The status quo. I only mention it since it is technically an option though I find it unpalatable.–O.S. via email

T.N. GETS HIS SAY: "YES, I DO FUCK A LOT OF BUSTY GIRLS!"

Dear *SCORE*,

I'd like to give my thanks to C.A. from West Midlands, United Kingdom. In the the March 2012 issue, he questioned whether or not I've been banging various E- and F-cup girls or whether I'm full of shit and if my stories are true. And he also told me to head down to the *SCORE* Studios to prove it with a *SCORE* model.

Well, C.A., first things first. I have already had the pleasure of a *SCORE* Studio visit last March when Elliot James was kind enough to show me around the studio while I was in Miami on vacation. Unfortunately, the studio was dark that day.

As far as banging out E- and F-cup girls, I just had a comment from my current girlfriend (40DDs) the other day mentioning how when her prior boyfriends sucked on her tits, it did

Tawny Peaks

At the peak of her powers, this curvy, short-and-stacked sexpot was one of the most-famous feature dancers in the world. We're proud to say we found her.

She started her modeling career under the name Helena, and that's what she was calling herself when John Graham discovered her on an historic scouting trip to Daytona Beach, Florida in 1990. She was a stacked, curvy, exotic-looking sexpot with natural breasts. "I was on vacation, working on my tan," she recalled. "I was shy and a little apprehensive, so I took his phone number and blew it off. About two years later, I found his phone number and gave him a call, and the rest is history." Big-boob history. Slim 'n' stacked history. Because in 1992, Helena transformed herself into Tawny Peaks.

Tawny became a hugely popular feature dancer and quickly became one of the world's biggest big-boob stars, appearing on numerous mainstream TV shows. In 1994, she sailed with Lisa Lipps, Danni Ashe, Chloe Vevrier and Europe DiChan on the first Boob Cruise, and she would appear in *SCORE* 13 times during the 1990s. In 2004, she was inducted into the *SCORE* Big-Boob Hall of Fame. When asked what makes her special, Tawny said, "I guess the fact that I'm this well-endowed makes me special," she said. "I'm just me, and hopefully, that's enough to make me special."

SCORE's 20th Anniversary 20 for 20

Kerry Marie

An exotic, English beauty of Greek descent (which explains her gorgeous, olive-toned skin), Kerry Marie is the girl every big-boob lover wants to marry.

When Kerry Marie was voted one of *SCORE*'s "20 Greatest Naturals" in the September '11 issue, we pointed out that three of the five girls from the *On Location Key Largo* trip in 2001 made the list (the other two are Lorna Morgan and Chloe Vevrier). Well, now here we are with our 20 greatest models of all-time, and Kerry, Chloe and Lorna are among them once again. That Key Largo expedition can now be considered the greatest big-bust shoot of all-time (other than the Boob Cruise), and these photos are from that trip, when Kerry was in her prime.

There has never been a model as laid-back and modest as Kerry, yet she understood her sexuality. We remember when she visited our studio in Miami, Florida in late 2003 for a week of shoots for the new BustyKerryMarie.com website. After her final pictorial, Kerry got dressed for her flight back to England. We couldn't believe our eyes. "You're wearing that? On the plane?" we asked Kerry, who was wearing a tight, white, low-cut sweater. Kerry shrugged like, "What's the big deal?" But she knew. Playful yet sexy, girl-next-doorish but glamorous…that's Kerry Marie.

Born in Hillingdon, England, Kerry Marie was 20 when she debuted in the February '99 issue of *SCORE*. "A Star Is Born," we wrote, and she would prove the cliche. She had been discovered by Linsey Dawn McKenzie, who saw Kerry dancing at a nightclub in London and knew what she was looking at. Kerry had been a barmaid, a retail assistant and a dental hygienist, but dancer and *SCORE* model were her true callings. Although she never made it onto the Boob Cruise, she went on several on-location shoots to Key Largo, Portugal and Spain (for *On Location Costa Del Sol*) and in 2004 won V-Mag's Model of the Year. And now, she's one of the greatest *SCORE* girls ever.

SCORE's 20th Anniversary 20 for 20

Sharday

Combining youthful beauty with smoldering Latina sexuality and a sensational body, this Puerto Rican 18-year-old ushered in our second era of great naturals.

She was the "Teen Tit Dream" in 2001, six years before Christy Marks came into our lives, just two months after we had put the first "20 Greatest Naturals" issue to bed. She immediately rendered that issue dated. There was never any doubt that this then-18-year-old (double-debuting on the covers of the Nov. 2001 issues of *SCORE* and *Voluptuous*) was headed for greatness. The babyface. The body. The DDD-cup naturals. The round handful of an ass. The long legs. The Latina sex appeal. It was hard to believe that just a few months earlier, *this* girl with *this* body had attended her high school prom… and even danced in the dress that she would wear in her *Voluptuous* debut. But she had.

Sharday won 2001 Newcomer of the Year and was *SCORE*'s first Model of the Year in 2002. Then, in 2010, she became the first model of the 2000s (the first 15 had been from the 1990s) to get inducted into our Big-Boob Hall of Fame. In all, she made 12 cover appearances in *SCORE* and V-Mag and has retained her popularity since Day One despite not appearing in a single video, despite not inserting a single finger or toy in her pussy, despite having never done boy-girl or girl-girl. "With a girl like Sharday, you'd love her to do all those things, but in the end, it really doesn't matter," wrote A.C. from Marina del Ray, California. "It's all about the body, the face, the way a girl presents itself. With her, it came so naturally. I loved that."

nothing for her, but when I do it, it makes always her pussy wet. She obviously knows a quality tit man when she finds one.

I'll tell you what, C.A.: If the powers that be will have me down to the studios, I would love to shoot a pictorial. I have no problem sharing some photos of myself with the editors, especially if [*Voluptuous* editor] Maria was to take a look. I have a couple of photos shot by a prior busty girlfriend just before I titty-fucked her. I was quite aroused. I've found that big-titted girls like guys with big cocks. So I'll put my cock where my mouth is, or, hopefully, where some *SCORE* sweater stretcher models' tits are.

For what it's worth, *SCORE* editors, I have a particular fondness for Karla James. I think we'd get along real well. But I'm not really partial at all. If this is my call to arms, let it be known I'm at your service!–T.N., via email

HOW A JACK-HAPPY *SCORE* MAN IMPROVED HIS JACKS

Dear *SCORE*,

I'm a big fan of your magazine and have squirted many a load to the big-titted beauties featured in your pages, especially Daphne Rosen (love her red-sweater pictorial in the March '07 issue), Natasha Dulce (Oct. '11) and the incredible Miosotis (Nov. '10).

I never imagined that stroking my cock could get any more pleasurable then it already is, but then I logged into a masturbation website called jackinchat.com, and made the acquaintance of fellow *SCORE* reader and stroker S. H. We chatted on-line and on the phone, having some great mutual jacking sessions and discussing our favorite ladies to stroke to, favorite videos, and then got around to jack-off techniques. I was surprised when S. H. told me that his orgasms were so powerful that he could shoot over his shoulder when he was lying down. Naturally, I wanted to know more about this, so he told me about exercises I could do with my cock and balls, along with jack-off techniques, and even suggested purchasing a Fleshlight, which I am currently saving money for.

I'm getting a little more distance on

Pandora Peaks

In the September 2000 issue, she was one of "The Fairest of Them All." Now, this model/singer/actress and Hall of Famer is one of the greatest of them all.

Super model. Universal Records recording artist. Mainstream actress (she appeared in the movies *Do or Die* and *Striptease* and was the subject of Russ Meyer's final film). One of the greatest feature dancers ever. *SCORE* Big-Boob Hall of Famer. Now, one of the 20 greatest *SCORE* Girls of all-time, as if there were ever any doubt. When big-tit lovers long for the 1990s, they're thinking about girls like Pandora: super-slim, super-stacked and a modest personality men fell in love with.

A well-rounded woman in every possible way, Pandora graduated with a degree in finance from the University of Georgia before she decided to become a feature dancer. “I really didn’t need dancing or modeling,” she said. “I got into it when I did some work for Playboy. They wanted professional women to be in their lingerie book, and I thought it would be fun because at that stage of my life, I was so stiff all the time. It was really exciting, and I met some dancers who told me I should try dancing, so I took the weekend off and danced. It was a thrill!” And the rest is big-boob history.

SCORE's 20th Anniversary 20 for 20

Chloe Vevrier

She's *Das Wunderbabe*, sultry and sexy, exotic, naturally busty with great legs and a superb ass, a woman who loves men and women. She's an original.

So many things come to mind when we think about Chloe Vevrier. *Das Wunderbabe* graced the cover of the January '93 *SCORE* in her worldwide modeling debut, and her pictorial ran 12 pages, a length that was unpredeDented then and has never been equalled (we flew her to Eleuthera in the Bahamas for the big event). She's a girl who loves pussy as well as cock and went tit-to-tit with Linsey Dawn McKenzie, Danni Ashe, Autumn-Jade, Julia Miles and Susie Wilden. In 1998, she was honored with our first single-model website, the still-popular ChloesWorld.com. And in 2009, she earned a spot in the *SCORE* Big-Boob Hall of Fame. But there's more.

Her body, of course, was the main ingredient to her appeal: big, heavy naturals that hung enticingly, a curvy waist, an ass she loved to show off and strong, shapely legs. But then, there was her sexuality. One look from Chloe could melt a man. And she maintained an air of mystery despite the fact that she showed it all on-camera (and did two boy-girl XXX scenes). A strong believer in Karma, Chloe was the ultimate busty flower child. "She was a superstar before she even posed," *SCORE* chief John Fox once said. And she kept getting better.

Leanne Crow

The world has changed. The Internet has transformed how *SCORE* Girls are discovered. But with babes like Leanne, some things are, fortunately, the same.

One of the questions we had regarding the "20 for 20" voting was, "How would the new girls fit in?" Or would they fit in? Take Leanne Crow. She's undoubtedly one of the most-beautiful girls we've ever featured, and her full, heavy J-cup naturals are all the credentials she needs. But would readers honor a girl who has been with us only since the October '11 issue? It turned out they would, and despite her tiny resume, Leanne is among our 20 greatest ever.

Leanne finished third behind Valory Irene and Venera for 2011 Newcomer of the Year but outplaced Valory in the "20 for 20" voting, possibly because of her larger breasts and possibly because...well, who knows why? Leanne is representative of the new era of naturals in that she was a Page 3 Girl in the UK (and a beauty therapist) who did some Internet modeling before we flew her to St. Maarten for her first *SCORE* and DVD. So, in the 1990s, we flew banners over beaches. In the second decade of the 21st Century, we search the Internet. Times have changed, but as Leanne proves, the girls remain great.

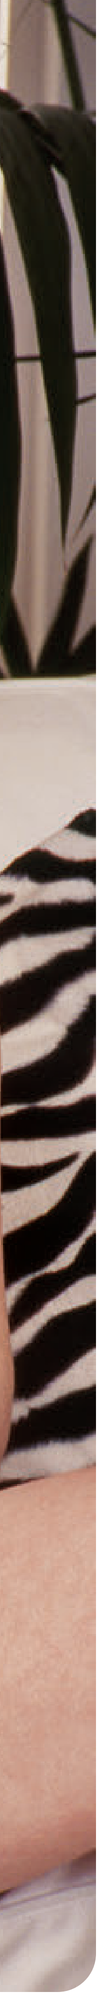
Nicole Peters

She's the girl-next-door from England with one of the finest pairs of heavy hangers we've ever seen. But she never understood why she's so special.

The year 2003 was an incredible one for naturally stacked models. It was the year that gave us Angela White, Ines Cudna, Melanie Addison, Brandy Talore and Cherry Brady. But when all the votes were counted for 2003 *SCORE* Newcomer of the Year, the results weren't close. Nicole Peters, a shy girl from London, England who enjoyed painting and working with underprivileged children, was the landslide winner. Seven years later, when Nicole became eligible for the *SCORE* Big-Boob Hall of Fame, again, the results weren't close: Nicole was in.



How does a shy girl like Nicole become a *SCORE* Girl? "I went to a photographer because I was interested in doing some modeling to make some extra money," said Nicole, who, at the time, was a 19-year-old student living in North Yorkshire, England. "He put my pictures on the web, and *SCORE* saw them, liked them and here I am." Nicole was a natural in front of the camera with her sparkling eyes and inviting smile. And, of course, her J-cup whoppers that hang into the camera as enticingly as any pair ever. When it came time for the Hall of Fame voting in 2010, one reader said, "The greatest natural hangers ever should be in the Hall of Fame." And now they are, but Nicole never let her celebrity go to her head. She was, as "Boob Beat" editor Elliot James said, "the kind of girl who will never fully realize the extent of the impact her huge ta-tas, curvy bod and attractive face have on the male brain." And that's part of what made her special.

Busty Dusty

For a time, her name was synonymous with mega-tits. Dancer, *SCORE* model, Boob Cruiser, TV show celebrity…in the 1990s, all eyes were on Busty Dusty.

When Busty Dusty became the second girl inducted into the *SCORE* Big-Boob Hall of Fame (can you name the first?), we called her "the front girl for the golden era of big tits, a 54-24-34 wonder with HH-cup mega-mams who represented everything *SCORE* was about." She appeared in twelve pictorials, sailed on the 1995, '97 and '98 Boob Cruises, starred in eight videos and made three solo cover appearances. She was one of the hottest stage performers ever (although she never did XXX) and a regular on television talk shows. Busty Dusty *was* the mega-busty '90s.

The June 2002 "10 Years of *SCORE*" issue featured 10 girls. Five of them remained high enough on your lists to be in this issue, and Dusty is one of them. That's no surprise. On three Boob Cruises, she was a crowd pleaser, and her three appearances on Howard Stern's TV show (she was Howard's Snapple girl) helped make her an international celebrity. How much of a celebrity? A band in France was named after her. But most importantly, Dusty's physique–gigantic tits on top of an otherwise tiny body–was a fantasy-come-true for so many men. She was perfection.

Venera

Is it possible for a girl to have H-cup naturals and a waist you could fit your hands around? You're looking at the answer to that question: Venera.

"Dressing sexy makes me horny," Venera said in the February '12 issue. "I like men to think about what they would like to do to my breasts and my body." Well, give us a few minutes. You see, we've never seen a girl with a body like Venera's: H-cup naturals and a 24-inch waist…the kind of body *SCORE* Men have been begging for since Day One and we kept claiming didn't exist. "The Impossible Dream Girl" we called her. Readers are running out of words to describe her. "Amazing." "Perfect." From another reader: "Holy shit, there's not enough frame there to hold those things up properly!"

Venera is the second newcomer from *SCORE*'s Class of 2011 to win a spot in this issue (Leanne Crow is the other), and Valory Irene wasn't far behind. The year 2003, widely considered the best year ever for naturals, also has two (Ines Cudna and Nicole Peters), so that goes to show you how great a year 2011 was (and how we've been able to maintain a high level of newcomers). Wrote B.M. via email, "I wasn't going to vote for Venera because she's been around for such a short time, but then I decided it didn't matter. There's never been a girl like her before. There might never be one like her again."

A STRIP-CLUB DVD? HE HAS THE WHOLE SCRIPT FIGURED OUT!

Dear *SCORE,*

The idea of producing a video in a fictional strip club is a sensational idea. It would be fun to see you take this idea to London and produce a big-budget video featuring the very best European models that have appeared in *SCORE* and on your website over the past several years. All your Ukrainian models such as Merilyn Sukova would be a perfect fit. December '11 covergirl Venera would be perfect as a cocktail waitress in a *SCORE* T-shirt.

As in all strip clubs, the models would dance, come off stage, hustle drinks, perform lap dances and take the big spenders back to the champagne room, where the real action would take place. Models who are not ready to perform hardcore could act as cocktail waitress and barmaids, allowing customers to feel their boobs and even tit-fuck for tips.

My fantasy video would include at least 10 busty models. For customers, you might recruit from the ranks of your British subscribers. Maybe think of running a contest with the winners receiving a trip to the champagne room. You could even rent a real strip club in London for several hours with real customers who would be encouraged to be big tippers. You might even consider

HE LOVES WHAT HITOMI DOESN'T DO AND WHAT BEVERLY DOES

Dear *SCORE*,

I have to give credit when credit is due. I have been a *SCORE* subscriber for two years now. You had two outstanding debuts in the January '12 issue, Beverly Paige and Hitomi.

Hitomi is so sexy, and I love that she doesn't show her pussy. That makes me want it more. I would love to suck on those big, sloppy tits and be smothered by them.

However, Beverly Paige is the real reason I am writing. Beverly Paige is one of the sexiest *SCORE* Girls ever. She is perfect. I am in love with her tits. Not only is she sexy and totally fuckable, she also is the cutest model I have ever seen grace *SCORE*. I would love to suck on her big-mommy tits all night long! She also shows that sweet pussy and sticks a toy in there for our enjoyment. I hope no one complains that she's a little heavy because she is perfect. I demand more of this beautiful woman!-T.M., via email

WHO DO YOU THINK ARE THE MOST-BEAUTIFUL *SCORE* GIRLS?

Dear *SCORE*,

Having spent three months in the UK during the latter part of 2011, I was lucky enough to buy about 20 *SCORE* -produced DVDs which are hard to get in Australian adult stores. Among them was *Pounding The Pledges*, starring my all-time favorite *SCORE* Girl, Tera Cox. She is great in this movie. I think she is the most-beautiful girl who has ever appeared in your magazine.

This got me thinking: Who do *SCORE* readers regard as the most-beautiful model to appear in the magazine? Beauty is in the eye of the beholder, of course, but I think an entire issue devoted to the most-beautiful girls of all-time, voted by the readers, would be a great idea, similar to your annual all-naturals editions.

Just to begin the debate, my top 10 most-beautiful girls are: Tera Cox, Nadine Jansen, Taylor Steele, Ines Cudna, Charlotte, Lisa Marie Greener, Daizie Kellogg, Anastasia (from Holiday '04), and Josie Hernandez (from August '03). Remember, this is based on looks only. Boob size does not count.–T.P., Australia

Linsey Dawn McKenzie

She is the natural by which all other naturally-stacked models are measured. She's Linsey Dawn McKenzie…celebrity, icon, greatest *SCORE* Girl ever.

There were only winners in *SCORE*'s "20 for 20" contest. Every girl who earned a spot on the official ballot–and the hundreds more who received write-in votes–has been an important part of our history and should feel honored. The girls who were voted into this issue are members of the big-boob elite, which is exactly why we've gone out of our way to *not* reveal where each girl finished in the balloting. But we will let you know that Linsey Dawn McKenzie (as was the case in the "20 Greatest Naturals" contest last fall) received more votes than any other model, and that really didn't surprise us at all. Since 1996, when she made her *SCORE* debut, no model has been associated with *SCORE* more than the girl called "The Natural."

From the time Linsey turned 18 in 1996, we've literally watched her grow. She started out as a tabloid star in the UK, then debuted on the cover of the December '96 issue of *SCORE*, then proved that the best can get even better when she unveiled her spectacular boob growth spurt in 1999. We waited patiently for LDM to do her first hardcore scene, and in 2002, she delivered with a scorcher in *Ultimate Linsey*, then an even hotter follow-up, a three-way with Czech bra-buster Veronika and a lucky guy in *Maximum Insertion*. We watched her get married, then divorced, then get married again. We devoted a website to her, then watched her retire and get voted into the Big-Boob Hall of Fame, and now, as this issue comes to a close, we bestow upon her one more honor: The Greatest *SCORE* Girl Ever.
